

GO SAINTS!

Parents and Players,

Welcome to another year of Saints Volleyball! Your daughter is part of an amazing and winning program and we hope to continue that tradition here at St. Anthony's. Wishing the team many blessings and much success this year!

Below you will find a list of what is **required** for you to purchase to be in uniform with the teams for this volleyball season. School jerseys will be issued to each player, however what is listed below will need to be purchased by you and it is yours to keep. Thank you to "Volleyball and More" who again is outfitting our teams this year.

V & M will be at our next week's Wednesday 8/26 practice with all of the selections below. If you are unable to be there at the practice to purchase, then please fill out this form and have your daughter bring it and the total amount due with them to practice. First tournament begins on Thursday so they will need to get their items this day.
