

2017 St. Anthony Catholic School

KRP Summer Camp (K3 – K5)

205 W. Huisache San Antonio, TX 78212 (210) 732-8801

Welcome to our Summer Camp Program!

Come join us as we have fun this summer creating, practicing skills, exploring literacy, and making discoveries about our world!

This summer we will be learning about the artwork and themes of several different children's authors. Many of these are well known authors and books that encourage the children's love of nature, reading, and development of creativity and imagination!

The summer camp is full of opportunities for learning and discovery. We go on field trips, listen to storytellers, and participate in water and outside play activities.

Summer camp is a great introduction to the St. Anthony School and our KRP Program!

Looking for a summer full of FUN, EXCITING, ENGAGING activities?

Come join us for enrichment and fun at our Pre-Kinder Summer Camp! Weekly themes are used to engage children with readiness skills through hands-on activities. It is a well-balanced curriculum that promotes intellectual, emotional, and social development of young children.

Contact: Ms. DeeDee Manson (732-8801 x 163; dmanson@stanthonysa.org)
