Ice Breaking Madness!

June 3-7

Start the summer off by making new friendships & rekindling old ones. Campers will play ice breaking games and create arts and crafts to get into the camp spirit!

Mad Scientist!

June 10-14

This week we will explore the worlds of Science and Math. Campers will participate in S.T.E.M. projects & conduct various fun experiments. We will even have visits from scientists!

Fun & Fitness!

June 17-21

Time to put down that screen and get fit! Campers will learn the importance of taking care of their bodies, paying attention to nutrition and ways of staying active!

Junior Master Chef!

June 24-28

During this delightful week campers will explore the world of Culinary Arts! Demonstrations, hands on activities and sampling of tasty treats will all be a part of this fun filled week!

*Swimming is scheduled every Friday!

Keep it Green Keep it Clean!

July 1-3

Learning simple, yet effective ways of being kind to the world around us will be this week's theme. Recycling, reducing and even repurposing will be taught through fun, hands on activities!

Dramarama!

Lights, camera, DRAMA! Campers will learn what goes on behind the curtain and on the stage. Campers will also be able to showcase their talents through dance, theater and karaoke activities. The week will conclude with our annual Blue & Gold Talent Show!

Animal Palooza!

July 15-19

RAWR! This week, campers will learn about many different animals and their habitats. Come hang out with us and even learn about animals from long ago. Visitors will even come to teach us about these amazing creatures!

All Around The World!

July 22-26

Get ready to "travel" around the world in five days! Join us as we explore a different country every day. We will go full tourist mode and learn about different cultures & traditions from all around the world!
